PASTOR'S

PAGE

Dear Friends:

It is humanly impossible to measure the influence of our church in this community. The loyalty and devotion of our church to the cause of Christ, and the spirit of cooperation which we practice, gives us a good name in our community and the surrounding area. Therefore, we are called upon more and more to render a greater service to our Lord.

I urge every one of you, who are members of this great church, to give of your best. There is much to be done. We dare not stop now! Let us join hands and hearts as we continue to move forward at White Plains Baptist Church.

I wish to express my appreciation to the Hudson Church Directories for the generous gift of this directory made to our church.

Too, the church owes thanks to the Telephone Committee (Mrs. Aaron Smith, Chairman, Mrs. A. C. Garrett, Mrs. Walter Kelly, and Mrs. Wayne Ridgeway) who made the contacts and set up the appointments.

Especially to those who cooperated by coming and having their pictures taken for the directory, thank you.

May this church directory serve as a reminder of our church fellowship for many years to come.

Your pastor,

Dial Jacks
